TAX DECLARATION (GIFT AID)

I would like Collegium Musicum of London ("the Choir") to reclaim tax from HM Revenue & Customs in respect of all subscriptions paid by me in respect of my membership of the Choir or participation in its performances, and other donations by me to Choir funds,¹ both in the tax year now current and at any future time unless and until I cancel this request by written notice to the Treasurer or the Subscriptions Secretary.²

[This is also to include all such subscriptions and other donations paid by me in any of the six tax years prior to the one now current.]³

I confirm that I am resident in the United Kingdom, and that I will pay tax to HM Revenue & Customs (by deduction or otherwise) at least equal to the amount of tax reclaimable by the Choir in each tax year for which this Declaration applies.⁴

**Please return this form, fully completed and signed, to
Susan Opie, 114 Mildenhall Rd, Hackney, London E5 0RZ**

¹ Please note payment by cheque is much preferred to cash payment wherever possible. The Choir cannot reclaim tax on cash payments unless they are clearly identified and recorded as coming from you.

² You can cancel this request at any time, and should consider doing so if the confirmation in the final paragraph of the Declaration may no longer apply.

³ Delete if earlier tax years are to be excluded.

⁴ At present (2008-2009) tax rates the tax reclaimable by the Choir, together with a special government supplement, amounts to £2.82 for every £10 paid in subscriptions or other identified donations. You can take account of capital gains tax as well as income tax liabilities. Please note that if you pay tax at a rate higher than the basic rate you will be entitled to additional tax relief in respect of payments on which the Choir can reclaim tax: this is dealt with through your own tax return, but you will need to keep adequate records of the payments you have made to the Choir.
