TAX DECLARATION (GIFT AID)

I would like Collegium Musicum of London ("the Choir") to reclaim tax from the Inland Revenue in respect of all subscriptions paid by me in respect of my membership of the Choir or participation in its performances, and other donations by me to Choir funds.¹

This is to include all such subscriptions and other donations paid by me since 5th April 2000, and all future such subscriptions and other donations unless and until I cancel this request by written notice to the Treasurer or the Subscriptions Secretary.²

I confirm that I am resident in the United Kingdom and that I will pay tax to the Inland Revenue (by deduction or otherwise) at least equal to the amount reclaimable by the Choir in each tax year.³

¹ Please note payment by cheque or standing order is much preferred to cash payment wherever possible. The Choir cannot reclaim tax on cash payments unless they are clearly identified and recorded as coming from you.

² You can cancel this request at any time, and should consider doing so if the confirmation in the final paragraph of the Declaration may no longer apply.

³ At present (2003-2004) tax rates the tax reclaimable by the Choir amounts to £ 2.82 for every £ 10 paid in subscriptions or other identified donations. You can take account of capital gains tax as well as income tax liabilities. Please note that if you pay tax at a rate higher than the basic rate you will be entitled to additional tax relief in respect of payments on which the Choir can reclaim tax: this is dealt with through your own tax return, but you will need to keep adequate records of the payments you have made to the Choir.
